or not marrying that they could no afford the luxury. About a month ago everal marriageable young ladies put their heads together and prepared a locument proving conclusively that worth the marrying. Then these girls made copies of the original and sent one to each of the eligible young men. - Chicago Herald.

## ---Bertha Von Hillern.

contains the following concerning well-known Boston artists: "One of the most remarkable women who labor at have the right to hold a special election black. the easel in the United States is Miss a biographical sketch. Ten years ago when the pedestrian mania had reached such a height in this city that women had begun to contest for the prize of endurance as well as men, a sturdy little Austrian woman appeared in the perfect furor, and when she took her training in Central park she was always guarded by a strong squad of feminine supporters. From this city H. Patton, J. Wesley Smith col., M. W. she went to Boston, where she made an equal hit. Such had repeatedly an nounced that as soon as she had saved sufficient money she purpose in Boston by entering the purpose in Boston by entering the purpose in Boston by entering the fluid of William Hutt, one of whose favorite pupils she became. Miss von Hiller is a landscape painter of much as a landscape painter of much and setud of William Hutt, one of whose favorite pupils she became. Miss von Hiller is a landscape painter of much as soon as a large, and the bar, of a consumptive make wrought with a fine chisel on the small actly admitted to the bar, of a consumptive make wrought with a fine chisel on the small actly admitted to the bar, of a consumptive make wrought with a fine chisel on the small actly admitted to the bar, of a consumptive make wrought with a fine chisel on the small actly admitted to the bar, of a consumptive make wrought with a fine chisel on the small actly admitted to the bar, of a consumptive make wrought with a fine chisel on the small actly admitted to the bar, of a consumptive make wrought with a fine chisel on the small actly admitted to the bar, of a consumptive make wrought with a fine chisel on the small actly admitted to the bar, of a consumptive make wrought with a fine chisel on the small actly admitted to the bar, of a consumptive make wrought with a fine chisel on the small actly admitted to the bar, of a consumptive make wrough was a fine the centile with a fine chisel on the small actly admitted to the bar, of a consumptive make wrough was a fine the centile was the fine chief on the small actly admitted to the bar, of a consumptive make wrough was a fine the centile was the fine chief on the small actly admitted to the bar, of a consumptive make wrough was a fine the centile was the fine action. When the single was a fine the centile was the fine action of the small was a fine the centile was a fine the consumption of the said w she went to Boston, where she made American forest scenery, of which she is especially fond. Inseparably asso ciated with the name of Bertha von Hillern is that of her sister artist and companion, Maria J. C. Becket. Miss Becket is an American, of an old Catholic family, with a long record of usefulness and eminence in society and the church. She is a woman of extraordinary quickness of perception and keen ness of intellect, and counts among her friends the most eminent French and American artists of the generation. She had traveled, lived in France and Italy, and studied art there before she entered the famous studied art there before she entered the famous studied of William Hunt, in Boston. There she met Miss von Hillern, and discovered in her a continuous studied and the famous studied art there before she entered to see my motion of the famous studied art there before she entered announces itself as moving for "Local little."

"Nothing.'

"Nothing.'

"Not on Thanksgiving? Come, take a little."

"No, I'd rather not. I've come home to see my mother. She hardly expects to see my mother. She hardly expects to see my mother. She hardly expects to see my mother. The pursuit of knowledge. The had traveled, lived in France and Italy, Option by Counties. This they expect to secure by asking a law authorizing the genial soul. Since then the ladies have lived and worked together, spending their winters in New York and Boston, in which latter city they hold a sort of aristocratic salon weekly, and their summers in a studio among the forests of Virginia. Their studio at Strasburg is one of the wonders of the Old Dominion. Miss Becket, like Miss von Hillern, is a landscape painter, with a fixed language of the wonders of the Old Dominion. Miss Becket, like Miss von Hillern, is a landscape painter, with a same "Every form of government is a sunder solution feeling for the poetry of nature, and a leaning toward the grave and quiet color common to all pupils of the great Boston master. The sobriety of lear art is by no means reflected in her solutions; and all departures are unnatural, and therefore dangerous." It is to the most braillant and widely-instructed convergationalists in the western configuration of the political interests of fine of the cause of the construction of the constru
